---

PROFESSIONAL SUMMARY

I am a passionate and results-driven Front-End Developer with experience creating innovative web designs and features. Skilled HTML, CSS, JavaScript, Bootstrap Framework, ReactJs, Next.js, Typescript, Tailwind. I thrive on building responsive, user-friendly web solutions. I'm quick to learn new technologies and enjoy solving complex coding problems to deliver high-quality results.

TECHNICAL SKILLS

- Programming Languages & Frameworks: HTML5, CSS3, JavaScript, Bootstrap Framework, ReactJs, Next.js, Typescript, Tailwind

- Collaboration & Soft Skills: Team Leadership, Problem-Solving, Effective Communication

- Additional Skills: Debugging, Cross-Browser Compatibility, Performance Optimization

PROFESSIONAL EXPERIENCE

Front End Developer

Front-End Developer

Spraditech – Lagos, Nigeria

January 2024 – Present

- *Developed responsive web pages using **HTML, CSS, JavaScript, React.js, Next.js, TypeScript, and Tailwind CSS**.*
- *Designed features for mobile and desktop platforms, tailored to client specifications.*
- *Resolved technical issues, ensuring **timely project delivery** and code quality through **Git**.*

This role sharpened my skills and shaped me into a proficient front-end developer capable of delivering high-quality, user-focused solutions

Front-End Developer Intern

HNG Internship – Remote

August 2024 – September 2024

- *Collaborated on building user-friendly interfaces with **JavaScript, and React.js React.js, Next.js, TypeScript, and Tailwind CSS**.*
- *Gained hands-on experience with **Git**, improving project management skills.*

This internship taught me how to collaborate effectively with other developers, shaping my ability to work in a team-oriented environment.
